As you answer the following sets of questions, keep in mind that this questionnaire contains a number of similar items about every topic covered. Each item reduces the chances of error. **Therefore, don't try to recall your previous responses—just answer each question as spontaneously and naturally as you can, without spending a lot of time on any particular one.**

Answer each question by **circling one** number from the following rating scale

RATING SCALE

NOT AT ALL TRUE 1 2 3 4 5 6 7 COMPLETELY TRUE

Thus, if you agree completely with a statement, you should answer with a "7." Agreement that is fairly strong but not total is indicated by selecting a "5," while agreement that is fairly weak is indicated by "3." Total disagreement is indicated by selecting "1."

ACADEMIC CONFIDENCE

If I have a problem in one of my classes, I continue trying through whatever method necessary (i.e., using a tutor, going to faculty office hours, increasing study time) until I overcome the difficulty.	NOT AT ALL TRUE 1 2 3 4 5 6 7 COMPLETELY TRUE
